

## RESTAURANT UPDATE

We are continuing to follow the advice from Public Health England and have updated our procedures to reflect this advice. We have put additional cleaning & sanitising processes in place and will continue to monitor and act upon advice from public bodies.

We have carried out deep cleans in the last couple of days and we ask that all diners use the hand sanitisers provided at the entrance. We have also reduced the capacity in each restaurant and have socially separated all tables to minimise any health risks amongst our diners. Our ten-point sanitising plan is conducted every hour and we are taking every precaution possible as this difficult time.

We are asking for your support and we will be open and offering a collection service until the Government tell us otherwise.

Thanks for your continued support and it's business as usual for team Al Forno 

Please visit [al-forno.co.uk](http://al-forno.co.uk) for further updates.
